To Whom It May Concern;

My name is Diane Djubasak and I am the Manager at Family Music Centers in Las Vegas, Nevada. Dennis Mellen has been a piano teacher at our store since 2005. He has been a reliable employee and an excellent teacher. Parents and students speak very highly of Dennis both as a teacher and a mentor. In addition to his superb performance skills he has demonstrated a willingness to go above and beyond when working with his students. He has an active mind and is continually exploring new paths to communicate effectively with his students and peers.

It is with great pleasure that I recommend the services and skills of Dennis as a piano teacher.

Warm Regards,
