To whom it may concern,

I have had the pleasure of working closely with Mr. Dennis Mellen for two years in the choral department here at Mojave High School. During our time together as colleagues, Mr. Mellen served as my piano accompanist. He made himself available for every performance even if that meant rearranging his own schedule in order to serve the choir students of Mojave High School. Not only did Mr. Mellen make himself available for concerts and other performances but he also set aside extra time for rehearsals before each performance. Mr. Mellen also has a heavy musical background and has worked with some of the greatest musical artists of all time. Mr. Mellen also teaches piano lessons. He enjoys sharing his gifts with others and watching them grow musically. It has been an honor to work with such a professional and amazing musician.

Sincerely,

Mrs. Shirley Wilson
